ANNEX II

As regards the provisions of trade policy adopted by the Principality of Andorra under the Agreement, and in order that imports of the products consumed in Andorra should not be affected by these provisions, derogations may be decided by the Joint Committee at the request of the Principality of Andorra; these derogations may include aspects of common commercial policy which do not apply to all the Member States of the Community.

The Commission shall communicate to the Andorran authorities any relevant information concerning the arrangements applicable to the Community's external trade.

Statement by the Community concerning agricultural and processed agricultural products

This Agreement shall not affect the Community's refund arrangements for exports of Community agricultural products or processed agricultural products.

Joint Statement

In so far as provisions of this Agreement, such as, in particular, the provisions governing customs duties, charges having equivalent effect, quantitative restrictions, measures having equivalent effect, prohibitions on imports, exports or goods in transit, are similar to the provisions of the Treaty establishing the European Economic Community, the Contracting Parties' representatives within the Joint Committee shall undertake to interpret the former, within the scope of this Agreement, in the same way as the latter are interpreted in trade within the European Economic Community.

Statement by the Principality of Andorra

The Principality of Andorra undertakes not to operate any discrimination as regards import duties and taxes levied on whisky, absinth and aniseed-based aperitifs, on the one hand, and other alcoholic beverages and aperitifs, on the other hand.

Joint Statement

The Joint Committee shall examine, and endeavour to find a solution to, any problems which arise in trade between the Contracting Parties as regards the monitoring and certification of technical standards.
