Article 5

For the purposes of this Agreement, the term "re-export" shall refer to the export of goods that originated within the territory of one of the Parties by the other Party to the outside of its customs territory, for the purpose of exporting it into a third country.

Neither Party shall permit re-export of goods that were subject to tariff-based or non-tariff-based regulation while being exported by their Country of origin. The Parties shall establish a listing of goods, whose re-exportation is prohibited, and shall also exchange lists of goods that are subject to tariff-based or non-tariff-based regulation. Re-export of such goods into third countries is permitted only upon written consent and upon conditions stipulated by an authorized state agency of the country of origin of the subject goods. In the event of non-compliance with this stipulation, the Party whose interests have been violated has the right for unilateral introduction of measures to regulate export of goods into the territory of the Party that permitted the non-sanctioned re-export, upon prior notice of the intent to introduce such measures, and, if necessary, upon conducting joint consultations.

2. The Parties shall inform each other about any changes in the customs tariffs enforced in their countries.

- carrying out actions that aid one or a few enterprises in the use of their dominant position, limiting competition within the entire territory of the Parties or within a significant part of it.
