

ANNEX XIII

List provided for in Article 138(5) of the Act of Accession

NORWAY

1. Aid supplementary to the compensatory payments provided for in Article 8 (2) of Regulation (EEC) No 1766/92 and granted to producers of potatoes intended for the manufacture of starch within the limits of the volume of production existing before accession.

2. Aid for the production of specific varieties of certified seeds of a limited number of fodder species covered by Regulation (EEC) No 2358/71. This aid is granted per 100 kg, is limited to quantities produced before accession and, as far as certified seeds are concerned, is supplementary to the aid provided for in Regulation (EEC) No 2358/71.

It may in particular be granted for the following varieties of certified fodder crop seeds: Timothy, Red Clover, Meadow Fescue and Cocksfoot.

AUSTRIA

1. Aid supplementary to the compensatory payments provided for in Article 8 (2) of Regulation (EEC) No 1766/92 and granted to producers of potatoes intended for the manufacture of starch within the limits of the volume of production existing before accession.
2. Aid corresponding to the difference between the level of the suckler-cow premium existing before accession and the level provided for by Article 4d (7) of Regulation (EEC) No 805/68.
3. Aid supplementary to the aid for the production of hops provided for by Articles 12 and 12a of Regulation (EEC) No 1696/71 granted for four years after accession within the limits of the surface under hops, on average, for the three years preceding accession.
4. Aid granted for the three years following accession to certain growers of seeds of fodder crop species for certain quantities for which a premium equal to at least twice the amount of support granted by the Community had been granted in 1992 under the national regime.

5. Aid supplementary to the compensatory payments provided for by Regulation (EEC) No 1765/92 in favour of the production of high-protein products to the extent necessary in order to maintain the competitiveness of these products as compared with cereals and oilseeds.

FINLAND

1. Aid supplementary to the compensatory payments provided for in Article 8 (2) of Regulation (EEC) No 1766/92, granted to producers of potatoes intended for the manufacture of starch within the limits of the volume of production existing before accession.
2. Aid corresponding to the difference between the level of the suckler-cow premium existing prior to accession and the level provided for in Article 4d (7) of Regulation (EEC) No 805/68.
3. Aids in the live plant and floriculture product sector provided for in Regulation (EEC) No 234/68 which:
 - do not give rise to any increase in production existing prior to accession;
 - are granted within individual limits to be determined in accordance with the procedure laid down in Article 14 of Regulation (EEC) No 234/68.
4. Aid supplementary to that provided for in Article 5 of Regulation (EEC) No 1117/78 granted for the two marketing years following accession to producers of dried fodder in traditional areas of production.
5. Aid for the production of certain varieties of certified or commercial seeds of a limited number of fodder species covered by Regulation (EEC) No 2358/71. This aid is granted per 100 kg, is limited to quantities produced before accession and, as far as certified or basic seeds are concerned, is supplementary to the aid provided for in Regulation (EEC) No 2385/71.

It can in particular be granted for the following varieties of fodder crop seeds: Timothy, Red Clover, Meadow Fescue and Cocksfoot.

ANNEX XIV

List provided for in Article 140 of the Act of Accession

NORWAY

1. Aid supplementary to that provided for in Article 138 in the regions traditionally growing spring wheat for milling.
2. Aids to investment in the pig, egg and poultry sectors, excluded pursuant to Article 6 (4), first subparagraph, and Article 6 (6) of Regulation (EEC) No 2328/91, but complying with the other provisions of that Regulation. Such aids:
 - may not give rise to any increase in overall production capacities;
 - shall be granted within individual production limits to be determined in accordance with the procedure laid down in Article 29 of Regulation (EEC) No 4253/88.
3. Aids, supplementary to those provided for in Article 12 (2) of Regulation (EEC) No 2328/91, granted for investment in the production of fruit and vegetables subject to Regulation (EEC) No 1035/72 and of live plants and floriculture products subject to Regulation (EEC) No 234/68.
Such aids:
 - may not give rise to any increase in overall production capacities;
 - shall be granted within individual production limits to be determined in accordance with the procedure laid down in Article 29 of Regulation (EEC) No 4253/88.
5. Aids to investment in the pig, egg and poultry sectors, excluded pursuant to Article 6 (4), first subparagraph, and Article 6 (6) of Regulation (EEC) No 2328/91, but complying with the other provisions of that Regulation. Such aids:
 - may not give rise to any increase in overall production capacities;
 - shall be granted within individual production limits to be determined in accordance with the procedure laid down in Article 29 of Regulation (EEC) No 4253/88.
6. Aids to investment carried out by part-time farmers as defined in Austrian legislation, granted in excess of the ceiling set in Article 12 (2) and (3) of Regulation (EEC) No 2328/91, but complying with the limits laid down in Article 7 of this Regulation. Granting of such aids may be authorized for the three years following accession.

FINLAND

1. Aid supplementary to that provided for in Article 138 granted in regions traditionally producing bread-making wheat, breadmaking rye and malting barley.
2. Aids to investment in the pig, egg and poultry sectors, excluded pursuant to Article 6 (4), first subparagraph, and Article 6 (6) of Regulation (EEC) No 2328/91, but complying with the other provisions of that Regulation. Such aids:
 - may not give rise to any increase in overall production capacities;
 - shall be granted within individual production limits to be determined in accordance with the procedure laid down in Article 29 of Regulation (EEC) No 4253/88.
3. Aids, supplementary to those provided for in Article 12 (2) of Regulation (EEC) No 2328/91, granted for investment in the production of horticultural products subject to Regulation (EEC) No 1035/72 and of live plants and floriculture products subject to Regulation (EEC) No 234/68. Such aids:
 - may not give rise to any increase in overall production capacities;
 - shall be granted within individual production limits to be determined in accordance with the procedure laid down in Article 29 of Regulation (EEC) No 4253/88.

AUSTRIA

1. Aid supplementary to that provided for in Article 138 granted to producers of maize for the starch industry within the limit of the production volume existing prior to accession.
2. Aid to producers setting aside land under Regulation (EEC) No 1765/92, granted per hectare in addition to the aid provided for in Article 138.
3. Aids for the breeding of young bovine animals.
4. Aids, supplementary to that provided for in Article 138, for producers supplying quality milk for the production of 'Bergkäse' cheese within the limit of the production volume corresponding to that existing before accession.
