

introduction, forms and expected terms of application of the abovementioned restrictions, whereupon the consultations shall be set.

Introduction of quantitative restrictions under this Article shall be formalized in a separate protocol.

Article 5

All settlements and payments related to the trade/economic cooperation between the Republic of Armenia and Republic of Moldova shall be carried out according to the agreement between the authorized banks of the Contracting Parties.

Article 6

Contracting Parties shall on a regular basis exchange information on laws and other regulations related to economic activity, including trade, investment, taxation, banking and insurance and other financial services, on transport and customs issues, including customs statistics.

Contracting Parties shall inform each other without delay on any changes in the national legislation, which may influence implementation of this Agreement.

Authorized bodies of the Contracting Parties shall coordinate the way to exchange such information.

Article 7

1. Contracting Parties shall endeavour to establish a common customs tariff applied to trade with the third countries and to this purpose have agreed to conduct regular consultations.
2. Contracting Parties shall inform each other on existing customs tariffs and all exceptions thereto.

Article 8

Contracting Parties shall consider incompatible with the purposes of this Agreement any unfair business practices and shall not allow and eliminate the following methods thereof:

- agreements between enterprises, decisions made by the associations of enterprises, and general methods of business practices aimed at hindering or limiting competition or disrupting the competitive environment in the territories of the Contracting Parties;
- actions by means of which one or a few enterprises use their dominant position, limiting competition within the entire territory of the Contracting Parties or a significant part thereof.

Article 9

For the purposes of applying measures of tariff and non-tariff regulation in the bilateral economic relationships, statistical information exchange, and for carrying out customs procedures, the Contracting Parties will use the unified, nine-digit Commodity Nomenclature of Foreign Economic Activities (CN FEA), based upon the Harmonized Commodity Description and Coding System and Combined Tariffs and Statistics Nomenclature of the EEC. For their own needs Contracting Parties may expend this Commodity Nomenclature beyond the nine digits if necessary.
