

## ANNEX B

**Special arrangements for applying Regulation (EEC) No 2573/87 to trade between Spain and Portugal and Syria**

The provisions of the Articles and Annexes of Council Regulation (EEC) No 2573/87 which are indicated below shall be applied subject to the following special arrangements:

## Article 6

Only paragraph 1 shall apply to Syria.

## Article 18

Only paragraph 1 shall apply to Syria.

## ANNEX II

**List provided for in the first indent of Article 5 (1) applicable to Syria**

| Quota No | CCT heading No | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Basic quota |

| CCT<br>heading<br>No | Description                                                                                                                                                                                                                                   |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 14.01                | Vegetable materials of a kind used primarily for plaiting (for example, cereal straw, cleaned, bleached or dyed, osier, reeds, rushes, rattans, bamboos, raffia and lime bark)                                                                |
| 14.02                | Vegetable materials, whether or not put up on a layer or between two layers of other material, of a kind used primarily as stuffing or as padding (for example, kapok, vegetable hair and eel-grass)                                          |
| 14.03                | Vegetable materials of a kind used primarily in brushes or in brooms (for example, sorgho, piassava, couch-grass and istle), whether or not in bundles or hanks                                                                               |
| 14.05                | Vegetable products not elsewhere specified or included                                                                                                                                                                                        |
| 15.05                | Wool grease and fatty substances derived therefrom (including lanolin)                                                                                                                                                                        |
| 15.06                | Other animal oils and fats (including neat's-foot oil and fats from bones or waste)                                                                                                                                                           |
| 15.08                | Animal and vegetable oils, boiled, oxidized, dehydrated, sulphurized, blown or polymerized by heat in vacuum or in inert gas, or otherwise modified                                                                                           |
| 15.10                | Fatty acids; acid oils from refining; fatty alcohols                                                                                                                                                                                          |
| 15.11                | Glycerol and glycerol lyes                                                                                                                                                                                                                    |
| 15.15                | Spermaceti, crude, pressed or refined, whether or not coloured; beeswax and other insect waxes, whether or not coloured                                                                                                                       |
| 15.16                | Vegetable waxes, whether or not coloured                                                                                                                                                                                                      |
| 15.17                | Degras; residues resulting from the treatment of fatty substances or animal or vegetable waxes:<br>A. Degras                                                                                                                                  |
| 17.04                | Sugar confectionery, not containing cocoa                                                                                                                                                                                                     |
| 18.03                | Cocoa paste (in bulk or in block), whether or not defatted                                                                                                                                                                                    |
| 18.04                | Cocoa butter (fat or oil)                                                                                                                                                                                                                     |
| 18.05                | Cocoa powder, unsweetened                                                                                                                                                                                                                     |
| 18.06                | Chocolate and other food preparations containing cocoa                                                                                                                                                                                        |
| 19.02                | Malt extract; preparations of flour, meal, starch or malt extract, of a kind used as infant food or for dietetic or culinary purposes, containing less than 50 % by weight of cocoa                                                           |
| 19.03                | Macaroni, spaghetti and similar products                                                                                                                                                                                                      |
| 19.04                | Tapioca and sago; tapioca and sago substitutes obtained from potato or other starches                                                                                                                                                         |
| 19.05                | Prepared foods obtained by the swelling or roasting of cereals or cereal products (puffed rice, corn flakes and similar products)                                                                                                             |
| 19.07                | Bread, ships' biscuits and other ordinary bakers' wares, not containing added sugar, honey, eggs, fats, cheese or fruit; communion wafers, cachets of a kind suitable for pharmaceutical use, sealing wafers, rice paper and similar products |
| 19.08                | Pastry, biscuits, cakes and other fine bakers' wares, whether or not containing cocoa in any proportion                                                                                                                                       |
| 21.02                | Extracts, essences or concentrates, of coffee, tea or maté and preparations with a basis of those extracts, essences or concentrates; roasted chicory and other roasted coffee substitutes and extracts, essences and concentrates thereof    |
