(Third page of authorisation)

GENERAL CONSIDERATIONS

- (1) The road passenger transport operator shall begin the transport service within the period indicated in the decision of the authorising authority granting the authorisation.
- (2) Except in the event of *force majeure*, the operator of an international regular or special regular service shall take all measures to guarantee a transport service that complies with the conditions as stipulated in the authorisation.
- (3) The operator shall make the information about the route, the stopping points, the timetable, the fares and the conditions of transport publicly available.
- (4) Without prejudice to documents pertaining to the vehicle and driver (such as the vehicle registration certificate and driving licence), the following documents shall serve as control documents required under Article 477 of the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part and shall be kept in the vehicle and presented at the request of any authorised inspecting officer:
 - the authorisation or a certified true copy thereof to carry out international regular or special regular services;
 - the operator's licence or a certified true copy thereof for the international carriage of passengers by road provided for according to the United Kingdom or Union legislation;
 - when operating an international special regular service, the contract between the organiser and the transport operator or a certified true copy thereof as well as a document evidencing that the passengers constitute a specific category to the exclusion of other passengers for the purposes of a special regular service;
 - when the operator of a regular or special regular service uses additional vehicles to deal with temporary and exceptional situations, in addition to the relevant documents mentioned above, a copy of the contract between the operator of the international regular or special regular service and the undertaking providing the additional vehicles or an equivalent document.

(Fourth page of authorisation)

GENERAL CONSIDERATIONS (cont.)

- (5) Operators operating an international regular service, with the exclusion of special regular service, shall issue transport tickets confirming the rights of the passenger to be transported and serving as a control document evidencing of the conclusion of the contract of carriage between the passenger and the transport operator, either individual or collective. The tickets that can also be electronic shall indicate:

- (a) the name of the operator;
- (b) the points of departure and destination and, if applicable, the return journey;
- (c) the period of validity of the ticket and, if applicable, the date and time of departure;
- (d) the price of transport.

The transport ticket shall be presented, by the passenger, at the request of any authorised inspection officer.

- (6) Operators operating international regular or special regular passenger transport services shall allow all inspections intended to ensure that operations are being conducted correctly, in particular as regards driving and rest periods and road safety and emissions.
-
