

## **ANNEX III**

REFERRED TO IN PARAGRAPH 2 OF ARTICLE 5

CUSTOMS DUTIES ON IMPORTS AND CHARGES HAVING  
EQUIVALENT EFFECT

### ANNEX III<sup>1</sup>

#### REFERRED TO IN PARAGRAPH 2 OF ARTICLE 5

#### CUSTOMS DUTIES ON IMPORTS AND CHARGES HAVING EQUIVALENT EFFECT

1. Jordan shall abolish customs duties on imports of products originating in an EFTA State, on the date of entry into force of this Agreement, except for products specified in the following lists.

- a) For products enumerated in List A, the customs duties shall be progressively abolished in accordance with the following timetable:
- upon entry into force of this Agreement each duty and charge shall be reduced to 80 % of the basic duty,
  - one year after the entry into force of this Agreement each duty and charge shall be reduced to 60 % of the basic duty,
  - two years after the entry into force of this Agreement each duty and charge shall be reduced to 40 % of the basic duty,
  - three years after the entry into force of this Agreement each duty and charge shall be reduced to 20 % of the basic duty.
  - four years after the entry into force of this Agreement the remaining duty and charge shall be abolished.
- b) For the products enumerated in List B, the customs duties shall be progressively abolished in accordance with the following timetable:
- four years after the date of entry into force of this Agreement each duty and charge shall be reduced to 90 % of the basic duty,
  - five years after the entry into force of this Agreement each duty and charge shall be reduced to 80 % of the basic duty,
  - six years after the entry into force of this Agreement each duty and charge shall be reduced to 70 % of the basic duty,

---

<sup>1</sup> Amended by Joint Committee Decision No 1 of 2012 (20 April 2012) which will enter into force when the instruments of acceptance have been deposited by all Parties with the Depositary. The Annex will be then replaced

- seven years after the entry into force of this Agreement each duty and charge shall be reduced to 60 % of the basic duty,
  - eight years after the entry into force of this Agreement each duty and charge shall be reduced to 50 % of the basic duty,
  - nine years after the entry into force of this Agreement each duty and charge shall be reduced to 40 % of the basic duty,
  - ten years after the entry into force of this Agreement each duty and charge shall be reduced to 30 % of the basic duty,
  - eleven years after the entry into force of this Agreement each duty and charge shall be reduced to 20 % of the basic duty,
  - twelve years after the entry into force of this Agreement the remaining duty and charge shall be abolished.
- c) For the products enumerated in List C, the arrangements to be applied shall be re-examined by the Joint Committee four years after the entry into force of this Agreement. At the time of that re-examination, the Joint Committee shall establish a tariff-dismantling schedule for the products contained in this list.

2. For products listed in this Annex originating in an EFTA State, Jordan shall accord treatment not less favorable than that accorded to like products originating in the European Community. Jordan undertakes to promptly notify the EFTA States of decisions on any change in the treatment accorded to the European Community for the products listed in this Annex. The Joint Committee shall without delay adopt the necessary amendments to this Annex.

---

Code    | Jordan Heading No. | Description of Products                                                                                                                                                                                                                                                       |
|--------------|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|              |                    | wafers                                                                                                                                                                                                                                                                        |
|              | 8466.93500         | - - - Parts of apparatus for stripping or cleaning semiconductor wafers                                                                                                                                                                                                       |
|              | 8466.93900         | - - - Parts of machines for dry-etching patterns on semiconductor materials                                                                                                                                                                                                   |
|              | 8466.94            | - - For machines of heading No. 84.62 or 84.63                                                                                                                                                                                                                                |
| <b>84.68</b> |                    | <b>Machinery and apparatus for soldering, brazing or welding, whether or not capable of cutting, other than those of heading No. 85.15; gas-operated surface tempering machines and appliances.</b>                                                                           |
|              |                    | - Other machinery and apparatus                                                                                                                                                                                                                                               |
|              | 8468.80900         | - - Other                                                                                                                                                                                                                                                                     |
|              |                    | - Parts                                                                                                                                                                                                                                                                       |
|              | 8468.90900         | - - Other                                                                                                                                                                                                                                                                     |
| <b>84.69</b> |                    | <b>Typewriters other than printers of heading No. 84.71; word-processing machines.</b>                                                                                                                                                                                        |
| <b>84.70</b> |                    | <b>Calculating machines and pocket-size data recording, reproducing and displaying machines with calculating functions; accounting machines, postage-franking machines, ticket-issuing machines and similar machines, incorporating a calculating device; cash registers.</b> |
| <b>84.72</b> |                    | <b>Other office machines (for example, hectograph or stencil duplicating machines, addressing machines, automatic banknote dispensers, coin-sorting machines, coin-counting or wrapping machines, pencil-sharpening machines, perforating or stapling machines).</b>          |
|              | 8472.10000         | - Duplicating machines                                                                                                                                                                                                                                                        |
|              | 8472.20000         | - Addressing machines and address plate embossing machines                                                                                                                                                                                                                    |
|              | 8472.30000         | - Machines for sorting or folding mail or for inserting mail in envelopes or bands, machines for opening, closing or sealing mail and machines for affixing or cancelling postage stamps                                                                                      |
|              |                    | - Other                                                                                                                                                                                                                                                                       |
|              | 8472.90100         | - - Automatic teller machines                                                                                                                                                                                                                                                 |
|              | 8472.90900         | - - Other                                                                                                                                                                                                                                                                     |
| <b>84.74</b> |                    | <b>Machinery for sorting, screening, separating, washing, crushing, grinding, mixing or kneading earth, stone, ores or other mineral substances, in solid (including powder or paste) form; machinery for</b>                                                                 |

| H.S. Code | Jordan Heading No. | Description of Products                                                                                                                                                                                                |
|-----------|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 84.75     | 8474.90900         | <b>agglomerating, shaping or moulding solid mineral fuels, ceramic paste, unhardened cements, plastering materials or other mineral products in powder or paste form; machines for forming foundry moulds of sand.</b> |
|           |                    | - Parts                                                                                                                                                                                                                |
| 84.77     | 8475.90000         | - - Other                                                                                                                                                                                                              |
|           |                    | <b>Machines for assembling electric or electronic lamps, tubes or valves or flashbulbs, in glass envelopes; machines for manufacturing or hot working glass or glassware.</b>                                          |
| 84.78     | 8477.90100         | - Parts                                                                                                                                                                                                                |
|           |                    | <b>Machinery for working rubber or plastics or for the manufacture of products from these materials, not specified or included elsewhere in this Chapter.</b>                                                          |
| 84.79     | 8477.90900         | - Parts                                                                                                                                                                                                                |
|           |                    | - - Parts of encapsuling equipment                                                                                                                                                                                     |
| 84.78     | 8478.10900         | - - Other                                                                                                                                                                                                              |
|           |                    | <b>Machinery for preparing or making up tobacco, not specified or included elsewhere in this Chapter.</b>                                                                                                              |
| 84.79     | 8478.90100         | - Machinery                                                                                                                                                                                                            |
|           |                    | - - Other                                                                                                                                                                                                              |
| 84.79     | 8478.90900         | - Parts                                                                                                                                                                                                                |
|           |                    | - - For industrial or agricultural use                                                                                                                                                                                 |

| 31.04     | 3006.40 000        | - Dental cements and other dental fillings; bone reconstruction cements                                                                                                                                                                                   |
|           | 3006.50 000        | - First-aid boxes and kits                                                                                                                                                                                                                                |
|           |                    | <b>Mineral or chemical fertilisers, potassic.</b>                                                                                                                                                                                                         |
|           |                    | - Potassium sulphate                                                                                                                                                                                                                                      |
| 31.05     | 3104.30 100        | - - Containing 52% or more by weight of potassium oxide                                                                                                                                                                                                   |
|           |                    | - Other                                                                                                                                                                                                                                                   |
|           | 3104.90 100        | - - Magnesium sulphate and potassium sulphate. Containing 52% or more by weight of potassium oxide                                                                                                                                                        |
|           |                    | <b>Mineral or chemical fertilisers containing two or three of the fertilising elements nitrogen, phosphorus and potassium; other fertilisers; goods of this Chapter in tablets or similar forms or in packages of a gross weight not exceeding 10 kg.</b> |
| 32.08     |                    | - Goods of this Chapter in tablets or similar forms or in packages of a gross weight not exceeding 10 kg                                                                                                                                                  |
|           | 3105.10 100        | - - Calcium cyanide, containing more than 25% by weight of nitrogen.                                                                                                                                                                                      |
|           | 3105.10 200        | - - Potassium sulphate, containing more than 52% by weight of potassium oxide.                                                                                                                                                                            |
|           | 3105.10 300        | - - Magnesium-potassium sulphate, containing more than 30% by weight of potassium oxide (K <sub>2</sub> O).                                                                                                                                               |
| 32.09     |                    | <b>Paints and varnishes (including enamels and lacquers) based on synthetic polymers or chemically modified natural polymers, dispersed or dissolved in a non-aqueous medium; solutions as defined in Note 4 to this Chapter.</b>                         |
|           |                    | - Based on polyesters                                                                                                                                                                                                                                     |
|           | 3208.10 900        | - - Other                                                                                                                                                                                                                                                 |
|           |                    | - Based on acrylic or vinyl polymers                                                                                                                                                                                                                      |
| 32.09     | 3208.20900         | - - Other                                                                                                                                                                                                                                                 |
