

CHAPTER 6

TRADE IN SERVICES

ARTICLE 6.1

Scope and Coverage

1. This Chapter applies to measures by Parties affecting trade in services and taken by central, regional or local governments and authorities as well as by non-governmental bodies in the exercise of powers delegated by central, regional or local governments or authorities. It applies to all services sectors, except services supplied in the exercise of government authority.
2. With respect to air transport services, this Chapter shall not apply to measures affecting air traffic rights or measures affecting services directly related to the exercise of air traffic rights, except as provided for in paragraph 3 of the GATS Annex on Air Transport Services. The definitions of paragraph 6 of the GATS Annex on Air Transport Services are hereby incorporated and made part of this Agreement.
3. Articles 6.3 (Most-Favour-Nation Treatment), 6.4 (Market Access) and 6.5 (National Treatment) shall not apply to laws, rules, regulations or requirements governing the procurement by governmental agencies of services purchased for governmental purposes and not with a view to commercial resale or with a view to use in the supply of services for commercial sale.

ARTICLE 6.2

 - (c) **specific commitment** means a specific commitment in a Schedule referred to in Article 6.16 (Schedules of Specific Commitments).
2. The following definitions of Article I of the GATS are hereby incorporated into and made part of this Agreement:

 - (i) a national of that other Party who resides in the territory of any WTO Member; or

ARTICLE 6.3

Most-Favoured-Nation Treatment

1. Without prejudice to measures taken in accordance with Article VII of the GATS, and except as provided for in its List of MFN Exemptions contained in Annex XII (Lists of MFN Exemptions), each Party shall accord immediately and unconditionally, in respect of all measures affecting the supply of services, to services and service suppliers of another Party treatment no less favourable than the treatment it accords to like services and service suppliers of any non-party.
2. Treatment granted under other existing or future agreements concluded by a Party and notified under Article V or Article V *bis* of the GATS shall not be subject to paragraph 1.
3. If a Party concludes an agreement of the type referred to in paragraph 2 after the entry into force of this Agreement or amends such agreement, it shall notify the other Parties without delay. The former Party shall, upon request by another Party, negotiate the incorporation into this Agreement of a similar treatment no less favourable than that provided under that agreement.
4. Paragraph 3 of Article II of the GATS shall apply to the rights and obligations of the Parties with respect to advantages accorded to adjacent countries and is hereby incorporated into and made part of this Agreement.

ARTICLE 6.4

Market Access

Article XVI of the GATS shall apply and is hereby incorporated into and made part of this Agreement.

ARTICLE 6.5

National Treatment

Article XVII of the GATS shall apply and is hereby incorporated into and made part of this Agreement.

ARTICLE 6.6

Additional Commitments

Article XVIII of the GATS shall apply and is hereby incorporated into and made part of this Agreement.

ARTICLE 6.7

Domestic Regulation

1. In sectors where specific commitments are undertaken, each Party shall ensure that all measures of general application affecting trade in services are administered in a reasonable, objective and impartial manner.
2.
 - (a) Each Party shall maintain or institute, as soon as practicable, judicial, arbitral or administrative tribunals or procedures which provide, at the request of an affected service supplier of another Party, for the prompt review of, and where justified, appropriate remedies for, administrative decisions affecting trade in services. Where such procedures are not independent of the agency entrusted with the administrative decision concerned, the Party shall ensure that the procedures in fact provide for an objective and impartial review.
 - (b) The provisions of subparagraph (a) shall not be construed to require a Party to institute such tribunals or procedures where this would be inconsistent with its constitutional structure or the nature of its legal system.
3. Where authorisation is required by a Party for the supply of a service, the competent authorities of that Party shall, within a reasonable period of time after the submission of an application is considered complete under that Party's domestic laws, rules and regulations, inform the applicant of the decision concerning the application. At

the request of the applicant, the competent authorities of that Party shall provide, without undue delay, information concerning the status of the application.

4. Each Party shall ensure that measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures, in sectors in which a Party has undertaken specific commitments, are based on objective and transparent criteria such as competence and the ability to supply the service.

5. With a view to ensuring that measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures do not constitute unnecessary barriers to trade in services, the Joint Committee shall take a decision aiming at incorporating into this Agreement any disciplines developed in the WTO in accordance with paragraph 4 of Article VI of the GATS. The Parties may also, jointly or bilaterally, decide to develop further disciplines.

6. (a) In sectors in which a Party has undertaken specific commitments, pending the entry into force of a decision incorporating WTO disciplines for these sectors pursuant to paragraph 5, and, if agreed between Parties, disciplines developed jointly or bilaterally under this Agreement pursuant to paragraph 5, the Party shall not apply qualification requirements and procedures, technical standards and licensing requirements and procedures that nullify or impair such specific commitments in a manner which is:

(i) more burdensome than necessary to ensure the quality of the service; or

(ii) in the case of licensing procedures, in itself a restriction on the supply of the service.

(b) In determining whether a Party is in conformity with the obligation under subparagraph (a), account shall be taken of international standards of relevant international organisations¹⁰ applied by that Party.

7. Each Party shall provide for adequate procedures to verify the competence of professionals of another Party.

ARTICLE 6.8

Recognition

1. For the purpose of the fulfilment of its relevant standards or criteria for the authorisation, licensing or certification of service suppliers, each Party shall give due consideration to any requests by another Party to recognise the education or experience obtained, requirements met, or licences or certifications granted in that other Party. Such recognition may be based upon an agreement or arrangement with that other Party, or otherwise be accorded unilaterally.

¹⁰ The term **relevant international organisations** refers to international bodies whose membership is open to the relevant bodies of at least all Parties.

2. Where a Party recognises, by agreement or arrangement, the education or experience obtained, requirements met, or licences or certifications granted, in the territory of a non-party, that Party shall afford another Party adequate opportunity to negotiate its accession to such an agreement or arrangement, whether existing or future, or to negotiate a comparable agreement or arrangement with it. Where a Party accords recognition unilaterally, it shall afford adequate opportunity for another Party to demonstrate that the education or experience obtained, requirements met, or licences or certifications granted, in the territory of that other Party should also be recognised.

3. Any such agreement or arrangement or unilateral recognition shall be in conformity with the relevant provisions of the WTO Agreement, in particular paragraph 3 of Article VII of the GATS.

ARTICLE 6.9

Movement of Natural Persons

1. This Article applies to measures affecting natural persons who are service suppliers of a Party, and natural persons of a Party who are employed by a service supplier of a Party, in respect of the supply of a service.

2. This Chapter shall not apply to measures affecting natural persons seeking access to the employment market of a Party, nor shall it apply to measures regarding nationality, residence or employment on a permanent basis.

3. Natural persons covered by a specific commitment shall be allowed to supply the service in accordance with the terms of that commitment.

4. This Chapter shall not prevent a Party from applying measures to regulate the entry of natural persons of another Party into, or their temporary stay in, its territory, including those measures necessary to protect the integrity of, and to ensure the orderly movement of natural persons across its borders, provided that such measures are not applied in such a manner as to nullify or impair the benefits accruing to any Party under the terms of a specific commitment.¹¹

ARTICLE 6.10

Transparency

Paragraphs 1 and 2 of Article III and Article III *bis* of the GATS shall apply and are hereby incorporated into and made part of this Agreement.

¹¹ The sole fact of requiring a visa for natural persons shall not be regarded as nullifying or impairing benefits under a specific commitment.

- (a) terms, limitations and conditions on market access;

- (d) where appropriate, the timeframe for implementation of such commitments and the date of entry into force of such commitments.

3. The Parties' Schedules of Specific Commitments are set out in Annex XI (Schedule of Specific Commitments).

ARTICLE 6.17

Modification of Schedules of Commitments

1. The Parties shall, upon written request by a Party, hold consultations to consider any modification or withdrawal of a specific commitment in the requesting Party's Schedule of Specific Commitments. The consultations shall be held within three months from the receipt of the request. In the consultations, the Parties shall aim to ensure that a general level of mutually advantageous commitments no less favourable to trade than that provided for in the Schedule of Specific Commitments prior to such consultations is maintained.

2. Modifications of Schedules are subject to Articles 12.1 (Joint Committee) and 14.2 (Amendments). Such modifications may only take place three years after the entry into force of this Agreement.

ARTICLE 6.18

Review

With the objective of further liberalising trade in services between them and promoting their interests on a mutually advantageous basis, the Parties shall review at least every two years, or more frequently if so agreed, their Schedules of Specific

Commitments and their Lists of MFN Exemptions, taking into account, in particular, any unilateral liberalisation and on-going work under the auspices of the WTO. The first review shall take place no later than three years from the entry into force of this Agreement.
