

ANNEX XI

TO CHAPTER 16 (ENVIRONMENT)

The Republic of Moldova undertakes to gradually approximate its legislation to the following EU legislation and international instruments within the stipulated timeframes.

Timelines related to provisions of this Annex which were already established by the Parties in the framework of other agreements will apply as set out in the appropriate agreements.

Environmental governance and integration of environment into other policy areas

Directive 2011/92/EU of the European Parliament and of the Council of 13 December 2011 on the assessment of the effects of certain public and private projects on the environment

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of requirements that Annex I projects to be subject to environmental impact assessment and of a procedure to decide which Annex II projects require EIA (Article 4)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- determination of the scope of the information to be provided by the developer (Article 5)

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of a procedure for consultation with environmental authorities and a public consultation procedure (Article 6)

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of arrangements with neighbouring countries for exchange of information and consultation (Article 7)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- establishment of measures for notifying the public of the outcome of decisions on applications for development consent (Article 9)

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of effective, not prohibitively expensive and timely review procedures at administrative and judicial level involving the public and NGOs (Article 11)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

Directive 2001/42/EC of the European Parliament and of the Council of 27 June 2001 on the assessment of the effects of certain plans and programmes on the environment

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of a procedure to decide which plans or programmes require strategic environmental assessment and of requirements that plans or programmes for which strategic environmental assessment is mandatory are subject to such an assessment (Article 3)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- establishment of a procedure for consultation with environmental authorities and a public consultation procedure (Article 6)

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of arrangements with neighbouring countries for exchange of information and consultation (Article 7)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

Directive 2003/4/EC of the European Parliament and of the Council of 28 January 2003 on public access to environmental information

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- setting up of practical arrangements under which environmental information is made available to the public and the applicable exceptions (Articles 3 and 4)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- ensuring that public authorities make environmental information available to the public (Article 3(1))

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of procedures to review of decisions not to supply environmental information or to supply only partial information (Article 6)

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of a system for disseminating environmental information to the public (Article 7)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

Directive 2003/35/EC of the European Parliament and of the Council of 26 May 2003 providing for public participation in respect of the drawing up of certain plans and programmes relating to the environment

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of a mechanism for providing the public with information (Articles 2(2)(a) and 2(2)(d))

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- establishment of a mechanism for public consultation (Articles 2(2)(b) and 2(3))

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of a mechanism for public comments and opinions to be taken into account in the decision-making process (Article 2(2)(c))

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- guaranteeing effective, timely and not prohibitively expensive access to justice at administrative and judicial level as regards the substantive or procedural legality of decisions, acts or omissions by public authorities in these procedures for the public concerned, including NGOs (Articles 3(7) and 4(4), EIA and IPPC (IED))

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

Air Quality

Directive 2008/50/EC of the European Parliament and of the Council of 21 May 2008 on ambient air quality and cleaner air for Europe

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities (Article 3)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment and classification of zones and agglomerations (Article 4)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- establishment of an assessment regime with appropriate criteria for assessing ambient air quality in relation to air pollutants (Articles 5, 6 and 9)

Timetable: those provisions of that Directive shall be implemented within 9 years of the entry into force of this Agreement.

- establishment of air quality plans for zones and agglomerations where levels of pollutants exceed limit value/target value (Article 23)

Timetable: those provisions of that Directive shall be implemented within 9 years of the entry into force of this Agreement.

- establishment of short-term action plans for zones and agglomerations in which there is a risk that alert thresholds will be exceeded (Article 24)

Timetable: those provisions of that Directive shall be implemented within 9 years of the entry into force of this Agreement.

- establishment of a system to provide information to the public (Article 26)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

Directive 2004/107/EC of the European Parliament and of the Council of 15 December 2004 relating to arsenic, cadmium, mercury, nickel and polycyclic aromatic hydrocarbons in ambient air

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment and classification of zones and agglomerations (Article 3)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- establishment of an assessment regime with appropriate criteria for assessing ambient air quality in relation to air pollutants (Article 4)

Timetable: those provisions of that Directive shall be implemented within 9 years of the entry into force of this Agreement.

- taking measures in order to maintain/improve air quality in respect of the relevant pollutants (Article 3)

Timetable: those provisions of that Directive shall be implemented within 9 years of the entry into force of this Agreement.

- establishment of a system to provide information to the public (Article 7)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

Council Directive 1999/32/EC of 26 April 1999 relating to a reduction of sulphur content of certain liquid fuels

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities
- establishment of an effective sampling system and appropriate analytical methods of analysis (Article 6)

- prohibition of use of heavy fuel oil and gas oil with a sulphur content greater than established limit values (Articles 3(1) and 4(1))
- application of limit values for the sulphur content of marine fuels (Articles 4a and 4b)

Timetable: to be implemented according to the timeline agreed within the framework of the Energy Community Treaty.

Council Directive 94/63/EC of 20 December 1994 on the control of volatile organic compound (VOC) emissions resulting from the storage of petrol and its distribution from terminals to service stations as amended by Regulation (EC) No 1882/2003

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- identifying all terminals for storing and loading petrol (Article 2)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- establishment of technical measures to reduce loss of petrol from storage installations at terminals and service stations and during loading/unloading mobile containers at terminals (Articles 3, 4 and 6 and Annex III)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- requiring all road tanker loading gantries and mobile containers to meet the requirements (Articles 4 and 5)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

Directive 2004/42/EC of the European Parliament and of the Council of 21 April 2004 on the limitation of emissions of volatile organic compounds due to the use of organic solvents in certain paints and varnishes and vehicle refinishing products

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- setting up maximum VOC content limit values for paints and varnishes (Article 3 and Annex II, phase II)

Timetable: those provisions of that Directive shall be implemented within 10 years of the entry into force of this Agreement.

- establishment of requirements ensuring labelling of products placed on the market and placing on the market of products complying with relevant requirements (Articles 3 and 4)

Timetable: those provisions of that Directive shall be implemented within 10 years of the entry into force of this Agreement.

Directive 2001/81/EC of the European Parliament and of the Council of 23 October 2001 on national emission ceilings for certain atmospheric pollutants

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authorities to fulfil the requirement of reporting of emission inventories and reporting under the directive

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- development of national programmes to meet national ceilings

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- meeting all other obligations, including national emission ceilings

Within 10 years of the entry into force of this Agreement, national emission ceilings shall apply as established in the original 1999 Gothenburg Protocol to Abate Acidification, Eutrophication and Ground-level Ozone.

Furthermore, within that period the Republic of Moldova shall endeavour to ratify the Gothenburg Protocol, including the amendments adopted in 2012.

Water Quality and resource management

Directive 2000/60/EC of the European Parliament and of the Council of 23 October 2000 establishing a framework for Community action in the field of water policy as amended by Decision No 2455/2001/EC

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- identification of river basin districts and establishment of administrative arrangements for international rivers, lakes and coastal waters (Article 3)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- analysis of the characteristics of river basin districts (Article 5)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- establishment of programmes for monitoring water quality (Article 8)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- preparation of river basin management plans, consultations with the public and publication of these plans (Articles 13 and 14)

Timetable: those provisions of that Directive shall be implemented within 8 years of the entry into force of this Agreement.

Directive 2007/60/EC of the European Parliament and of the Council of 23 October 2007 on the assessment and management of flood risks

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- undertaking preliminary flood assessment (Articles 4 and 5)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- preparation of flood hazards maps and flood risks maps (Article 6)

Timetable: those provisions of that Directive shall be implemented within 7 years of the entry into force of this Agreement.

- establishment of flood risk management plans (Article 7)

Timetable: those provisions of that Directive shall be implemented within 8 years of the entry into force of this Agreement.

Council Directive 91/271/EEC of 21 May 1991 concerning urban waste-water treatment as amended by Directive 98/15/EC and Regulation (EC) No 1882/2003

The following provisions of Directive 91/271/EEC shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- assessment of the status of urban waste water collection and treatment

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- identification of sensitive areas and agglomerations (Article 5 and Annex II)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- preparation of technical and investment programme for the implementation of the urban waste water treatment requirements (Article 17)

Timetable: those provisions of that Directive shall be implemented within 8 years of the entry into force of this Agreement.

Council Directive 98/83/EC of 3 November 1998 on the quality of water intended for human consumption as amended by Regulation (EC) No 1882/2003

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- establishment of standards for drinking water (Articles 4 and 5)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of a monitoring system (Articles 6 and 7)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- establishment of a mechanism to provide information to consumers (Article 13)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

Council Directive 91/676/EEC of 12 December 1991 concerning the protection of waters against pollution caused by nitrates from agricultural sources as amended by Regulation (EC) No 1882/2003

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

establishment of monitoring programmes (Article 6)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

identification of polluted waters or waters at risk and designation of nitrate vulnerable zones (Article 3)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- establishment of action plans and codes of good agricultural practices for nitrate vulnerable zones (Articles 4 and 5)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

Waste and Resource Management

Directive 2008/98/EC of the European Parliament and of the Council of 19 November 2008 on waste

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- preparation of waste management plans in line with the five-step waste hierarchy and of waste prevention programmes (Chapter V)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of full cost recovery mechanism in accordance with the polluter pays principle and extended producer responsibility principle (Article 14)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of a permitting system for establishments/undertakings carrying out disposal or recovery operations, with specific obligations for the management of hazardous wastes (Chapter IV)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- establishment of a register of waste collection and transport establishments and undertakings (Chapter IV)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

Council Directive 1999/31/EC of 26 April 1999 on the landfill of waste as amended by Regulation (EC) No 1882/2003

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- classification of landfill sites (Article 4)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- preparation of a national strategy reducing the amount of biodegradable municipal waste going to landfill (Article 5)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- establishment of an application and permit system and of waste acceptance procedures (Articles 5-7, 11, 12 and 14)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of control and monitoring procedures in the operation phase of landfills and of closure and after-care procedures for landfills to be disaffected (Articles 12 and 13)

Timetable: those provisions of that Directive shall be implemented within 7 years of the entry into force of this Agreement.

- establishment of conditioning plans for existing landfill sites (Article 14)

Timetable: those provisions of that Directive shall be implemented within 7 years of the entry into force of this Agreement.

- establishment of a costing mechanism (Article 10)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- ensuring the relevant waste is subject to treatment before landfilling (Article 6)

Timetable: those provisions of that Directive shall be implemented within 7 years of the entry into force of this Agreement.

Directive 2006/21/EC of the European Parliament and of the Council of 15 March 2006 on the management of waste from extractive industries

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- establishment of a system to ensure that operators draw up waste management plans (identification and classification of waste facilities; characterisation of the waste) (Articles 4 and 9)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of a permit system, of financial guarantees and of an inspection system (Articles 7, 14 and 17)

Timetable: v provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- establishment of procedures for the management and monitoring of excavation voids (Article 10)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- establishment of closure and after-closure procedures for mining waste facilities (Article 12)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- drawing up an inventory of closed mining waste facilities (Article 20)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

Nature protection

Directive 2009/147/EC of the European Parliament and of the Council of 30 November 2009 on the conservation of wild birds

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 2 years of the entry into force of this Agreement.

- assessment of bird species requiring special conservation measures and regularly occurring migratory species

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- identification and designation of special protection areas for bird species (Article 4(1))

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of special conservation measures to protect regularly occurring migratory species (Article 4(2))

Timetable: to be implemented according to the timeline agreed within the framework of the Energy Community Treaty.

- establishment of a general system of protection for all wild bird species of which the hunted species are a special subset and prohibition of certain types of capture/killing (Articles 5, 6, 7, 8, 9(1) and 9(2))

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

Council Directive 92/43/EEC of 21 May 1992 on the conservation of natural habitats and of wild fauna and flora as amended by Directives 97/62/EC and 2006/105/EC and Regulation (EC) No 1882/2003

The following provisions of Directive 92/43/EEC shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- preparation of inventory of sites, designation of these sites and establish priorities for their management (including completion of the inventory of potential Emerald sites and establishment of protection and management measures for these sites) (Article 4)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- establishment of measures required for the protection of such sites (Article 6)

Timetable: those provisions of that Directive shall be implemented within 5 years of the entry into force of this Agreement.

- establishment of a system to monitor conservation status of habitats and species (Article 11)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- establishment of a strict species protection regime for species listed in Annex IV of that Directive as relevant for the Republic of Moldova (Article 12)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- establishment of a mechanism to promote education and general information to the public (Article 22)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

Industrial pollution and industrial hazards

Directive 2010/75/EU of the European Parliament and of the Council of 24 November 2010 on industrial emissions (integrated pollution prevention and control)

The following provisions of that Directive shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- identification of installations that require a permit (Annex I)

Timetable: those provisions of that Directive shall be implemented within 3 years of the entry into force of this Agreement.

- implementation of BAT taking into account the BAT conclusions of the BREFs (Articles 14(3-6) and 15(2-4))

Timetable: those provisions of that Directive shall be implemented within 10 years of the entry into force of this Agreement.

- establishment of an integrated permit system (Articles 4 – 6, 12, 21 and 24 and Annex IV)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

- establishment and implementation of a compliance monitoring mechanism (Articles 8, 14(1)(d) and 23(1))

Timetable: those provisions of that Directive shall be implemented within 8 years of the entry into force of this Agreement.

- establishment of emission limit values for combustion plants (Article 30 and Annex V)

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- preparation of a transitional national plan to reduce total annual emissions from existing plants (optional to setting emission limit values for existing plants) (Article 32)

Timetable: those provisions of that Directive shall be implemented within 6 years of the entry into force of this Agreement.

Council Directive 96/82/EC of 9 December 1996 on the control of major accident hazards involving dangerous substances as amended by Directive 2003/105/EC and Regulation (EC) No 1882/2003

The following provisions of Directive 96/82/EC shall apply:

- adoption of national legislation and designation of competent authority/authorities

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of effective coordination mechanisms between relevant authorities

Timetable: those provisions of that Directive shall be implemented within 4 years of the entry into force of this Agreement.

- establishment of systems for receiving notifications with information about relevant Seveso establishments and for reporting on major accidents (Articles 6, 14, and 15)

Timetable: those provisions of that Directive shall be implemented within 7 years of the entry into force of this Agreement.

Chemicals

Regulation (EC) No 689/2008 of the European Parliament and of the Council of 17 June 2008 concerning the export and import of dangerous chemicals

The following provisions of that Regulation shall apply:

- implementation of the export notification procedure (Article 7)

Timetable: those provisions of that Regulation shall be implemented within 3 years of the entry into force of this Agreement.

- implementation of procedures for handling of export notifications received from other countries (Article 8)

Timetable: those provisions of that Regulation shall be implemented within 2 years of the entry into force of this Agreement.

- setting up of procedures for drafting and submission of notifications of final regulatory action (Article 10)

Timetable: those provisions of that Regulation shall be implemented within 2 years of the entry into force of this Agreement.

- setting up of procedures for drafting and submission of import decisions (Article 12)

Timetable: those provisions of that Regulation shall be implemented within 2 years of the entry into force of this Agreement.

- implementation of the PIC procedure for the export of certain chemicals, in particular those listed in Annex III to the Rotterdam Convention on the Prior Informed Consent Procedure for Certain Hazardous Chemicals and Pesticides in International Trade (Article 13)

Timetable: those provisions of that Regulation shall be implemented within 3 years of the entry into force of this Agreement.

- implementation of the labelling and packaging requirements for exported chemicals (Article 16)

Timetable: those provisions of that Regulation shall be implemented within 3 years of the entry into force of this Agreement.

- designation of national authorities that control the import and export of chemicals (Article 17)

Timetable: those provisions of that Regulation shall be implemented within 2 years of the entry into force of this Agreement.

Regulation (EC) No 1272/2008 of the European Parliament and of the Council of 16 December 2008 on classification, labelling and packaging of substances and mixtures

The following provisions of that Regulation shall apply:

- designation of competent authority/authorities (Article 43)

Timetable: those provisions of that Regulation shall be implemented within 4 years of the entry into force of this Agreement.

- implementation of classification, labelling and packaging of substances and mixtures (Article 4)

Timetable: those provisions of that Regulation shall be implemented within 7 years of the entry into force of this Agreement.

Regulation (EC) No 1907/2006 of the European Parliament and the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and establishing a European Chemicals Agency

The following provisions of that Regulation shall apply:

- designation of competent authority/authorities, enforcement authorities and setting up the official system of monitoring and control (Articles 121 and 125)

Timetable: those provisions of that Regulation shall be implemented within 4 years of the entry into force of this Agreement.

- Adoption for national provisions for penalties applicable for infringements of national laws concerning chemicals (Article 126)

Timetable: those provisions of that Regulation shall be implemented within 5 years of the entry into force of this Agreement.

- Adoption of national provisions setting up national system of Registration of chemical substances and mixtures (Title II, Articles 5, 6, 7 and 14)

Timetable: those provisions of that Regulation shall be implemented within 4 years of the entry into force of this Agreement.

- Adoption of national provisions concerning the Information in the supply chain on chemical substances and mixtures and downstream user obligations (Title IV and V, Articles 31 and 37)

Timetable: those provisions of that Regulation shall be implemented within 4 years of the entry into force of this Agreement.

- Adoption of national provisions adopting the list of Restrictions as specified in Annex XVII to REACH (Title VIII, Article 67)

Timetable: those provisions of that Regulation shall be implemented within 4 years of the entry into force of this Agreement.
