-

ANNEX XVIII-B

RECOGNITION OF THE PEST STATUS, PEST FREE AREAS OR PROTECTED ZONES**A. Recognition of pest status**

Each Party shall establish and communicate a list of regulated pests based on the following principles:

1. Pests not known to occur within any part of its own territory;
2. Pests known to occur within any part of its own territory and under official control;
3. Pests known to occur within any part of its own territory, under official control and for which pest free areas or protected zones are established.

Any change to the list of pest status shall be immediately notified to the other Party unless otherwise notified to the relevant international organization.

B. Recognition of Pest Free Areas (PFAs) and protected zones

The Parties recognise the protected zones and the concept of PFAs, and its application in respect of relevant ISPMs.
