

ANNEX XXXIII

COOPERATION IN THE AUDIO-VISUAL AND MEDIA FIELDS

Georgia undertakes to gradually approximate its legislation to the following EU legislation and international instruments within the stipulated timeframes.

Directive 2010/13/EU of the European Parliament and of the Council of 10 March 2010 on the coordination of certain provisions laid down by law, regulation or administrative action in Member States concerning the provision of audio-visual media services (Audiovisual Media Services Directive)

Timetable: that Directive's provisions shall be implemented within three years of the entry into force of this Agreement, except for Article 23 of this Directive which shall be implemented within five years.
