

CHAPTER XI
STANDARDISATION AND MEASUREMENT SYSTEMS

Article 67

Common Policy on Standardisation and Measurement Systems

- 1. Member States agree to:**
 - (a) Adopt a common policy on standardisation and quality assurance of goods and services among Member States;**
 - (b) Undertake such other related activities in standardisation and measurement systems that are likely to promote trade, economic development and integration within the Community; and**
 - (c) Strengthen African national, regional and continental organisations operating in this field.**
- 2. For the purposes of this Chapter, Member States agree to cooperate in accordance with the provisions of the Protocol concerning Standardisation, Quality Assurance and Measurement Systems.**
