

Article 4

Either Contracting Party will not allow re-exportation of goods with respect to exportation of which the other Contracting Party, where these goods originate from, applies measures of tariff and/or non-tariff regulation.

Re-exportation of these goods to third countries can be carried out only by written consent and on terms determined by the authorized body of a State which is the country of origin of these goods. In the event that this provision is not implemented, a Contracting Party, whose interests have been violated, shall have the right to unilaterally introduce measures, for the regulation of exportation of goods to the territory of the State which allowed non-sanctioned re-export. And the latter pay the whole currency earning of such re-export to the country of origin of the relevant goods.

Re-exportation shall mean that goods originated from the customs territory of one of the Contracting Parties, as defined in paragraph 2 of Article 1 hereof, are exported by the other Contracting Party outside the customs territory of the latter with the aim of exporting them to a third country.

Article 5

The Contracting Parties will, on a regular basis, exchange information on customs issues, as well as customs statistics. The relevant authorized bodies of the Contracting Parties shall coordinate the order and volume of such information.

The Contracting Parties will inform each other of all exceptions to the current customs tariff which are unilaterally applied.

Article 6

The Contracting Parties shall consider unfair business practice incompatible with the objectives of this Agreement. The unfair business practice is expressed in particular in the following:

- in concluding agreements between enterprises and their associations aimed at impeding or restricting competition or violating conditions for the competition on the territories of the Contracting Parties;
- in carrying out actions with the help of which one or several enterprises use their dominant position restricting competition on the entire or considerable part of the territory of the Contracting Parties.

Article 7

In carrying out measures of tariff and non-tariff regulation of bilateral economic relations, for exchanging statistical information and carrying out customs procedures, the Contracting Parties have agreed to apply a single 9-digit Goods Nomenclature of Foreign Economic Activity (GN FEA) based on the Harmonized Commodity Description and Coding System and the Combined Tariff Statistical Nomenclature of the European Economic Community. And the Contracting Parties shall, for their own needs, if necessary, carry out the development of the Goods Nomenclature beyond 9-digits.
