ANNEX XII-C

THE REPUBLIC OF MOLDOVA: INDICATIVE LIST OF ISSUES FOR COOPERATION

1. Training, in the UK and the Republic of Moldova, of officials of the Republic of Moldova from government bodies engaged in public procurement.
2. Training of suppliers interested in participating in public procurement.
3. Exchange of information and experience on best practice and regulatory rules in the field of public procurement.
4. Enhancement of the functionality of the public procurement website and establishment of a system of public procurement monitoring.
5. Consultations and methodological assistance from the UK in application of modern electronic technologies in the field of public procurement.
6. Strengthening the bodies charged with guaranteeing a coherent policy in all areas related to public procurement and the independent and impartial consideration (review) of contracting authorities' decisions (see Article 242 of this Agreement).
