Chapter Fourteen: Financial Services

Article 1401: Scope and Coverage

1. This Chapter applies to measures adopted or maintained by a Party relating to:

(a) financial institutions of another Party;

(b) investors of another Party, and investments of such investors, in financial institutions in the Party's territory; and

(c) cross-border trade in financial services.

2. Articles 1109 through 1111, 1113, 1114 and 1211 are hereby incorporated into and made a part of this Chapter. Articles 1115 through 1138 are hereby incorporated into and made a part of this Chapter solely for breaches by a Party of Articles 1109 through 1111, 1113 and 1114, as incorporated into this Chapter.

3. Nothing in this Chapter shall be construed to prevent a Party, including its public entities, from exclusively conducting or providing in its territory:

(a) activities or services forming part of a public retirement plan or statutory system of social security; or

(b) activities or services for the account or with the guarantee or using the financial resources of the Party, including its public entities.

4. Annex 1401.4 applies to the Parties specified in that Annex.

Article 1402: Self-Regulatory Organizations

Where a Party requires a financial institution or a cross-border financial service provider of another Party to be a member of, participate in, or have access to, a selfregulatory organization to provide a financial service in or into the territory of that Party, the Party shall ensure observance of the obligations of this Chapter by such selfregulatory organization.

Article 1403: Establishment of Financial Institutions

1. The Parties recognize the principle that an investor of another Party should be permitted to establish a financial institution in the territory of a Party in the juridical form chosen by such investor.

2. The Parties also recognize the principle that an investor of another Party should be permitted to participate widely in a Party's market through the ability of such investor to:

(a) provide in that Party's territory a range of financial services through separate financial institutions as may be required by that Party;

(b) expand geographically in that Party's territory; and

(c) own financial institutions in that Party's territory without being subject to ownership requirements specific to foreign financial institutions.

3. Subject to Annex 1403.3, at such time as the United States permits commercial banks of another Party located in its territory to expand through subsidiaries or direct branches into substantially all of the United States market, the Parties shall review and assess market access provided by each Party in relation to the principles in paragraphs 1 and 2 with a view to adopting arrangements permitting investors of another Party to choose the juridical form of establishment of commercial banks.

4. Each Party shall permit an investor of another Party that does not own or control a financial institution in the Party's territory to establish a financial institution in that territory. A Party may:

(a) require an investor of another Party to incorporate under the Party's law any financial institution it establishes in the Party's territory; or

(b) impose terms and conditions on establishment that are consistent with Article 1405.

5. For purposes of this Article, "investor of another Party" means an investor of another Party engaged in the business of providing financial services in the territory of that Party.

Article 1404: Cross-Border Trade

1. No Party may adopt any measure restricting any type of cross-border trade in financial services by cross-border financial service providers of another Party that the Party permits on the date of entry into force of this Agreement, except to the extent set out in Section B of the Party's Schedule to Annex VII.
2. Each Party shall permit persons located in its territory, and its nationals wherever located, to purchase financial services from cross-border financial service providers of another Party located in the territory of that other Party or of another Party. This obligation does not require a Party to permit such providers to do business or solicit in its territory. Subject to paragraph 1, each Party may define "doing business" and "solicitation" for purposes of this obligation.
3. Without prejudice to other means of prudential regulation of cross-border trade in financial services, a Party may require the registration of cross-border financial service providers of another Party and of financial instruments.
4. The Parties shall consult on future liberalization of cross-border trade in financial services as set out in Annex 1404.4.

Article 1405: National Treatment

1. Each Party shall accord to investors of another Party treatment no less favorable than that it accords to its own investors, in like circumstances, with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of financial institutions and investments in financial institutions in its territory.
2. Each Party shall accord to financial institutions of another Party and to investments of investors of another Party in financial institutions treatment no less favorable than that it accords to its own financial institutions and to investments of its own investors in financial institutions, in like circumstances, with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of financial institutions and investments.
3. Subject to Article 1404, where a Party permits the cross-border provision of a financial service it shall accord to the cross-border financial service providers of another Party treatment no less favorable than that it accords to its own financial service providers, in like circumstances, with respect to the provision of such service.
4. The treatment that a Party is required to accord under paragraphs 1, 2 and 3 means, with respect to a measure of any state or province:
 - (a) in the case of an investor of another Party with an investment in a financial institution, an investment of such investor in a financial institution, or a financial institution of such investor, located in a state or province, treatment no less favorable than the treatment accorded to an investor of the Party in a financial institution, an investment of such investor in a financial institution, or a financial institution of such investor, located in that state or province, in like circumstances; and

(b) in any other case, treatment no less favorable than the most favorable treatment accorded to an investor of the Party in a financial institution, its financial institution or its investment in a financial institution, in like circumstances.

For greater certainty, in the case of an investor of another Party with investments in financial institutions or financial institutions of such investor, located in more than one state or province, the treatment required under subparagraph (a) means:

(c) treatment of the investor that is no less favorable than the most favorable treatment accorded to an investor of the Party with an investment located in such states, or provinces in like circumstances; and

(d) with respect to an investment of the investor in a financial institution or a financial institution of such investor, located in a state or province, treatment no less favorable than that accorded to an investment of an investor of the Party, or a financial institution of such investor, located in that state or province, in like circumstances.

5. A Party's treatment of financial institutions and cross-border financial service providers of another Party, whether different or identical to that accorded to its own institutions or providers in like circumstances, is consistent with paragraphs 1 through 3 if the treatment affords equal competitive opportunities.

6. A Party's treatment affords equal competitive opportunities if it does not disadvantage financial institutions and cross-border financial services providers of another Party in their ability to provide financial services as compared with the ability of the Party's own financial institutions and financial services providers to provide such services, in like circumstances.

7. Differences in market share, profitability or size do not in themselves establish a denial of equal competitive opportunities, but such differences may be used as evidence regarding whether a Party's treatment affords equal competitive opportunities.

Article 1406: Most-Favored-Nation Treatment

1. Each Party shall accord to investors of another Party, financial institutions of another Party, investments of investors in financial institutions and cross-border financial service providers of another Party treatment no less favorable than that it accords to the investors, financial institutions, investments of investors in financial institutions and cross-border financial service providers of any other Party or of a non-Party, in like circumstances.

2. A Party may recognize prudential measures of another Party or of a non-Party in the application of measures covered by this Chapter. Such recognition may be:

(a) accorded unilaterally;

(b) achieved through harmonization or other means; or

(c) based upon an agreement or arrangement with the other Party or non-Party.

3. A Party according recognition of prudential measures under paragraph 2 shall provide adequate opportunity to another Party to demonstrate that circumstances exist in which there are or would be equivalent regulation, oversight, implementation of regulation, and if appropriate, procedures concerning the sharing of information between the Parties.

4. Where a Party accords recognition of prudential measures under paragraph 2(c); and the circumstances set out in paragraph 3 exist, the Party shall provide adequate opportunity to another Party to negotiate accession to the agreement or arrangement, or to negotiate a comparable agreement or arrangement.

Article 1407: New Financial Services and Data Processing

1. Each Party shall permit a financial institution of another Party to provide any new financial service of a type similar to those services that the Party permits its own financial institutions, in like circumstances, to provide under its domestic law. A Party may determine the institutional and juridical form through which the service may be provided and may require authorization for the provision of the service. Where such authorization is required, a decision shall be made within a reasonable time and the authorization may only be refused for prudential reasons.

2. Each Party shall permit a financial institution of another Party to transfer information in electronic or other form, into and out of the Party's territory, for data processing where such processing is required in the ordinary course of business of such institution.

Article 1408: Senior Management and Boards of Directors

1. No Party may require financial institutions of another Party to engage individuals of any particular nationality as senior managerial or other essential personnel.

2. No Party may require that more than a simple majority of the board of directors of a financial institution of another Party be composed of nationals of the Party, persons residing in the territory of the Party, or a combination thereof.

Article 1409: Reservations and Specific Commitments

1. Articles 1403 through 1408 do not apply to:

(i) a Party at the federal level, as set out in Section A of its Schedule to Annex VII,

(ii) a state or province, for the period ending on the date specified in Annex 1409.1 for that state or province, and thereafter as described by the Party in Section A of its Schedule to Annex VII in accordance with Annex 1409.1, or

(iii) a local government;

(b) the continuation or prompt renewal of any non-conforming measure referred to in subparagraph (a); or

(c) an amendment to any non-conforming measure referred to in subparagraph (a) to the extent that the amendment does not decrease the conformity of the measure, as it existed immediately before the amendment, with Articles 1403 through 1408.

2. Articles 1403 through 1408 do not apply to any non-conforming measure that a Party adopts or maintains in accordance with Section B of its Schedule to Annex VII.

3. Section C of each Party's Schedule to Annex VII sets out certain specific commitments by that Party.

4. Where a Party has set out a reservation to Article 1102, 1103, 1202 or 1203 in its Schedule to Annex I, II, III or IV, the reservation shall be deemed to constitute a reservation to Article 1405 or 1406, as the case may be, to the extent that the measure, sector, subsector or activity set out in the reservation is covered by this Chapter.

Article 1410: Exceptions

1. Nothing in this Part shall be construed to prevent a Party from adopting or maintaining reasonable measures for prudential reasons, such as:

(a) the protection of investors, depositors, financial market participants, policyholders, policy claimants, or persons to whom a fiduciary duty is owed by a financial institution or cross-border financial service provider;

(b) the maintenance of the safety, soundness, integrity or financial responsibility of financial institutions or cross-border financial service providers; and

Notwithstanding Article 1109(1), (2) and (3), as incorporated into this Chapter, and without limiting the applicability of Article 1109(4), as incorporated into this Chapter, a Party may prevent or limit transfers by a financial institution or cross-border financial services provider to, or for the benefit of, an affiliate of or person related to such institution or provider, through the equitable, non-discriminatory and good faith application of measures relating to maintenance of the safety, soundness, integrity or financial responsibility of financial institutions or cross-border

financial service providers. This paragraph does not prejudice any other provision of this Agreement that permits a Party to restrict transfers.

Where it is not practicable for a decision to be made within 120 days, the regulatory authority shall notify the applicant without undue delay and shall endeavor to make the decision within a reasonable time thereafter.

5. Nothing in this Chapter requires a Party to furnish or allow access to:

5. Where a Party requires information for supervisory purposes concerning a financial institution in another Party's territory or a cross-border financial service provider in another Party's territory, the Party may approach the competent regulatory authority in the other Party's territory to seek the information.

6. Annex 1413.6 shall apply to further consultations and arrangements.
