Chapter Two

Article 2.1: Scope and Coverage

Except as otherwise provided in this Agreement, this Chapter applies to trade in goods of a Party.

Section A: National Treatment

Article 2.2: National Treatment

1. Each Party shall accord national treatment to the goods of another Party in accordance with Article III of the GATT 1994, including its interpretive notes, and to this end Article III of the GATT 1994 and its interpretive notes are incorporated into and made part of this Agreement, *mutatis mutandis*.

2. The treatment to be accorded by a Party under paragraph 1 means, with respect to a regional level of government, treatment no less favorable than the most favorable treatment that regional level of government accords to any like, directly competitive, or substitutable goods, as the case may be, of the Party of which it forms a part.

3. Paragraphs 1 and 2 shall not apply to the measures set out in Annex 2.2.

Section B: Tariff Elimination

Article 2.3: Tariff Elimination

1. Except as otherwise provided in this Agreement, no Party may increase any existing customs duty, or adopt any new customs duty, on an originating good.

2. Except as otherwise provided in this Agreement, each Party shall progressively eliminate its customs duties on originating goods, in accordance with its Schedule to Annex 2.3.

3. For greater certainty, paragraph 2 shall not prevent Colombia from granting identical or more favorable tariff treatment to a good as provided for under the legal instruments of the Andean integration, provided that the goods meet the rules of origin under those instruments.

4. On the request of any Party, the requesting Party and one or more other Parties shall consult to consider accelerating the elimination of customs duties set out in their Schedules to Annex 2.3. The consulting Parties shall notify the other Parties of the goods that will be subject

to the consultations, and shall afford the other Parties an opportunity to participate in the consultations. Notwithstanding Article 20.1.3(b) (Free Trade Commission), an agreement between two or more Parties to accelerate the elimination of a customs duty on a good shall supercede any duty rate or staging category determined pursuant to their Schedules to Annex 2.3 for that good when approved by each involved Party in accordance with its applicable legal procedures. Within 30 days after two or more Parties conclude an agreement under this paragraph, they shall notify the other Parties of the terms of the agreement.

5. For greater certainty, a Party may:

(a) raise a customs duty to the level established in its Schedule to Annex 2.3 following a unilateral reduction; or

(b) maintain or increase a customs duty as authorized by the Dispute Settlement Body of the WTO.

Section C: Special Regimes

Article 2.4: Waiver of Customs Duties

1. No Party may adopt any new waiver of customs duties, or expand with respect to existing recipients or extend to any new recipient the application of an existing waiver of customs duties, where the waiver is conditioned, explicitly or implicitly, on the fulfillment of a performance requirement.

2. No Party may, explicitly or implicitly, condition on the fulfillment of a performance requirement the continuation of any existing waiver of customs duties.

Article 2.5: Temporary Admission of Goods

1. Each Party shall grant duty-free temporary admission for the following goods, regardless of their origin:

(a) professional equipment, including equipment for the press or television, software, and broadcasting and cinematographic equipment, necessary for carrying out the business activity, trade, or profession of a person who qualifies for temporary entry pursuant to the laws of the importing Party;

(b) goods intended for display or demonstration;

(c) commercial samples and advertising films and recordings; and

(d) goods admitted for sports purposes.

2. Each Party shall, at the request of the person concerned and for reasons its customs authority considers valid, extend the time limit for temporary admission beyond the period initially fixed.

3. No Party may condition the duty-free temporary admission of a good referred to in paragraph 1, other than to require that the good:

(a) be used solely by or under the personal supervision of a national or resident of another Party in the exercise of the business activity, trade, profession, or sport of that person;

(b) not be sold or leased while in its territory;

(c) be accompanied by a security in an amount no greater than the charges that would otherwise be owed on entry or final importation, releasable on exportation of the good;

(d) be capable of identification when exported;

(e) be exported on the departure of the person referenced in subparagraph (a), or within such other period related to the purpose of the temporary admission as the Party may establish, or within one year, unless extended;

(f) be admitted in no greater quantity than is reasonable for its intended use; and

(g) be otherwise admissible into the Party's territory under its law.

4. If any condition that a Party imposes under paragraph 3 has not been fulfilled, the Party may apply the customs duty and any other charge that would normally be owed on the good plus any other charges or penalties provided for under its law.

5. Each Party shall adopt and maintain procedures providing for the expeditious release of goods admitted under this Article. To the extent possible, such procedures shall provide that when such a good accompanies a national or resident of the other Party who is seeking temporary entry, the good shall be released simultaneously with the entry of that national or resident.

6. Each Party shall permit a good temporarily admitted under this Article to be exported through a customs port other than that through which it was admitted.

7. Each Party shall provide that the importer or other person responsible for a good admitted under this Article shall not be liable for failure to export the good on presentation of satisfactory proof to the importing Party that the good has been destroyed within the original period fixed for temporary admission or any lawful extension.

8. Subject to Chapters Ten (Investment) and Eleven (Cross-Border Trade in Services):

(a) each Party shall allow a vehicle or container used in international traffic that enters its territory from the territory of another Party to exit its territory on any route that is reasonably related to the economic and prompt departure of such vehicle or container;

(b) no Party may require any security or impose any penalty or charge solely by reason of any difference between the port of entry and the port of departure of a vehicle or container;

(c) no Party may condition the release of any obligation, including any security, that it imposes in respect of the entry of a vehicle or container into its territory on its exit through any particular port of departure; and

(d) no Party may require that the vehicle or carrier bringing a container from the territory of another Party into its territory be the same vehicle or carrier that takes the container to the territory of another Party.

9. For purposes of paragraph 8, **vehicle** means a truck, a truck tractor, a tractor, a trailer unit or trailer, a locomotive, or a railway car or other railroad equipment.

Article 2.6: Goods Re-entered After Repair or Alteration

1. No Party may apply a customs duty to a good, regardless of its origin, that re-enters its territory after that good has been temporarily exported from its territory to the territory of another Party for repair or alteration, regardless of whether such repair or alteration could be performed in the territory of the Party from which the good was exported for repair or alteration.

2. No Party may apply a customs duty to a good, regardless of its origin, admitted temporarily from the territory of another Party for repair or alteration.

3. For purposes of this Article, **repair or alteration** does not include an operation or process that:

(a) destroys a good's essential characteristics or creates a new or commercially different good; or

(b) transforms an unfinished good into a finished good.

Article 2.7: Duty-Free Entry of Commercial Samples of Negligible Value and Printed Advertising Materials

Each Party shall grant duty-free entry to commercial samples of negligible value, and to printed advertising materials, imported from the territory of another Party, regardless of their origin, but may require that:

(a) such samples be imported solely for the solicitation of orders for goods, or services provided from the territory, of another Party or a non-Party; or

(b) such advertising materials be imported in packets that each contain no more than one copy of each such material and that neither such materials nor packets form part of a larger consignment.

Section D: Non-Tariff Measures

Article 2.8: Import and Export Restrictions

1. Except as otherwise provided in this Agreement, no Party may adopt or maintain any prohibition or restriction on the importation of any good of another Party or on the exportation or sale for export of any good destined for the territory of another Party, except in accordance with Article XI of the GATT 1994 and its interpretative notes, and to this end Article XI of the GATT 1994 and its interpretive notes are incorporated into and made a part of this Agreement, *mutatis mutandis.*[1]

2. The Parties understand that the GATT 1994 rights and obligations incorporated by paragraph 1 prohibit, in any circumstances in which any other form of restriction is prohibited, a Party from adopting or maintaining:

(a) export and import price requirements, except as permitted in enforcement of countervailing and antidumping duty orders and undertakings;

(b) import licensing conditioned on the fulfillment of a performance requirement, except as provided in a Party's Schedule to Annex 2.3; or

(c) voluntary export restraints inconsistent with Article VI of the GATT 1994, as implemented under Article 18 of the SCM Agreement and Article 8.1 of the AD Agreement.

3. Paragraphs 1 and 2 shall not apply to the measures set out in Annex 2.2.

[1] For greater certainty, this paragraph applies, *inter alia*, to prohibitions or restrictions on the importation of remanufactured goods.

4. In the event that a Party adopts or maintains a prohibition or restriction on the importation from or exportation to a non-Party of a good, no provision of this Agreement shall be construed to prevent the Party from:

(a) limiting or prohibiting the importation from the territory of another Party of such good of that non-Party; or

(b) requiring as a condition of export of such good of the Party to the territory of another Party, that the good not be re-exported to the non-Party, directly or indirectly, without being consumed in the territory of the other Party.

5. In the event that a Party adopts or maintains a prohibition or restriction on the importation of a good from a non-Party, the Parties, on the request of any Party, shall consult with a view to avoiding undue interference with or distortion of pricing, marketing, or distribution arrangements in another Party.

6. No Party may, as a condition for engaging in importation or for the import of a good, require a person of another Party to establish or maintain a contractual or other relationship with a distributor in its territory.

7. Nothing in paragraph 6 prevents a Party from requiring the designation of an agent for the purpose of facilitating communications between regulatory authorities of the Party and a person of another Party.

8. For purposes of paragraph 6:

distributor means a person of a Party who is responsible for the commercial distribution, agency, concession, or representation in the territory of that Party of goods of another Party;

A notification provided under this Article shall:

(a) include the information specified in Article 5 of the Import Licensing Agreement; and

3. No Party may apply an import licensing procedure to a good of another Party unless it has provided notification in accordance with paragraph 2.

Article 2.10: Administrative Fees and Formalities

1. Each Party shall ensure, in accordance with Article VIII:1 of the GATT 1994 and its interpretive notes, that all fees and charges of whatever character (other than customs duties, charges equivalent to an internal tax or other internal charge applied consistently with Article III:2 of the GATT 1994, and antidumping and countervailing duties) imposed on or in connection with importation or exportation are limited in amount to the approximate cost of services rendered and do not represent an indirect protection to domestic goods or a taxation of imports or exports for fiscal purposes.

2. No Party may require consular transactions, including related fees and charges, in connection with the importation of any good of another Party.

3. Each Party shall make available and maintain through the Internet a current list of the fees and charges it imposes in connection with importation or exportation.

4. The United States shall eliminate its Merchandise Processing Fee on originating goods of Colombia upon the entry into force of this Agreement.

Article 2.11: Export Taxes

1. Colombia shall recognize Bourbon Whiskey and Tennessee Whiskey, which is a straight Bourbon Whiskey authorized to be produced only in the State of Tennessee, as distinctive products of the United States. Accordingly, Colombia shall not permit the sale of any product as Bourbon Whiskey or Tennessee Whiskey, unless it has been manufactured in the United States in accordance with the laws and regulations of the United States governing the manufacture of Bourbon Whiskey and Tennessee Whiskey.

GENERAL NOTES
TARIFF SCHEDULE OF THE UNITED STATES

1. Relation to the Harmonized Tariff Schedule of the United States (HTSUS). The provisions of this Schedule are generally expressed in terms of the HTSUS, and the interpretation of the provisions of this Schedule, including the product coverage of subheadings of this Schedule, shall be governed by the General Notes, Section Notes, and Chapter Notes of the HTSUS. To the extent that provisions of this Schedule are identical to the corresponding provisions of the HTSUS, the provisions of this Schedule shall have the same meaning as the corresponding provisions of the HTSUS.

2. Base Rates of Customs Duty. The base rates of customs duty set forth in this Schedule reflect the HTSUS Column 1 General rates of duty in effect on January 1, 2004.

3. Staging. In addition to the staging categories listed in Annex 2.3, paragraph 1, this Schedule contains staging categories **R** and **S**:

(a) for goods provided for in the items in staging category R, at the time of importation the duty imposed upon the assembled article to be applied in accordance with the procedures specified in U.S. note 4 of subchapter II, chapter 98, of the HTSUS, shall be the rate applicable to the full value of the article itself under the staging obligations set forth for the appropriate provision in Chapters 1 through 97 of this Schedule, until January 1 of year ten, at which time such goods shall be duty-free; and

(b) duties on originating goods provided for in the items in staging category S shall be eliminated entirely and such goods shall be duty-free on the date this Agreement enters into force. For goods in tariff items 98120020, 98120040, 98130005, 98130010, 98130015, 98130020, 98130025, 98130030, 98130035, 98130040, 98130045, 98130050, 98130055, 98130060, 98130070, 98130075, and 98140050 duty-free means free without bond.

4. During the transition period, only a qualifying good is eligible for the in-quota tariff rate for each good specified in Appendix I; originating goods that are not qualifying goods shall be subject to the over-quota tariff rate for the good specified in Appendix I. For purposes of this note, “qualifying good” means a good that satisfies the requirements of Chapter Four (Rules of Origin and Origin Procedures), except that operations performed in or materials obtained from a Party other than Colombia shall be considered as if the operations were performed in a non-Party and the material was obtained from a non-Party.

5. Originating goods shall not be subject to any duty provided for in heading 9901 of the HTSUS, provided that (a) the goods are imported directly from Colombia into the customs territory of the United States and (b) the sum of the cost or value of the materials produced in the territory of Colombia plus the direct costs of processing operations performed in the territory of Colombia is not less than 35 percent of the appraised value of such goods at the time they are entered.

Subject to note 5 of the General Notes of Colombia, originating goods included in this Appendix are subject to the rates of duty set out in this Appendix in lieu of the rates of duty set out in Chapters 1 through 97 of the AACOL. (i) the prevailing most-favored-nation duty applied to that good; and
