

Chapter Eleven

Cross-Border Trade in Services

Article 11.1: Scope and Coverage

1. This Chapter applies to measures adopted or maintained by a Party affecting cross-border trade in services by service suppliers of another Party. Such measures include measures affecting:

- (a) the production, distribution, marketing, sale, and delivery of a service;
- (b) the purchase or use of, or payment for, a service;
- (c) the access to and use of distribution, transport, or telecommunications networks and services in connection with the supply of a service;
- (d) the presence in its territory of a service supplier of another Party; and
- (e) the provision of a bond or other form of financial security as a condition for the supply of a service.

2. For the purposes of this Chapter, “measures adopted or maintained by a Party” means measures adopted or maintained by:

- (a) central, regional, or local governments and authorities; and
- (b) non-governmental bodies in the exercise of powers delegated by central, regional, or local governments or authorities.

3. Articles 11.4, 11.7, and 11.8 also apply to measures by a Party affecting the supply of a service in its territory by a covered investment.¹

4. This Chapter does not apply to:

- (a) financial services as defined in Article 12.20 (Definitions), except that paragraph 3 applies where the financial service is supplied by a covered investment that is not a covered investment in a financial institution (as defined in Article 12.20) in the Party’s territory;

¹ The Parties understand that nothing in this Chapter, including this paragraph, is subject to investor-state dispute settlement pursuant to Section B of Chapter Ten (Investment).

- (b) “government procurement” or “procurement”, as defined in Article 1.3 (Definitions of General Application);
- (c) air services, including domestic and international air transportation services, whether scheduled or non-scheduled, and related services in support of air services, other than:
 - (i) aircraft repair and maintenance services during which an aircraft is withdrawn from service, and
 - (ii) specialty air services; or
- (d) subsidies or grants provided by a Party, including government-supported loans, guarantees, and insurance.

Annex 11-A sets forth an understanding of the Parties related to subparagraph (d).

5. This Chapter does not impose any obligation on a Party with respect to a national of another Party seeking access to its employment market, or employed on a permanent basis in its territory, and does not confer any right on that national with respect to that access or employment.

6. This Chapter does not apply to services supplied in the exercise of governmental authority in a Party’s territory. A “service supplied in the exercise of governmental authority” means any service which is supplied neither on a commercial basis, nor in competition with one or more service suppliers.

7. Nothing in this Chapter or any other provision of this Agreement shall be construed to impose any obligation on a Party regarding its immigration measures, including admission or conditions of admission for temporary entry.

Article 11.2: National Treatment

1. Each Party shall accord to service suppliers of another Party treatment no less favorable than that it accords, in like circumstances, to its own service suppliers.

2. The treatment to be accorded by a Party under paragraph 1 means, with respect to a regional level of government, treatment no less favorable than the most favorable treatment accorded, in like circumstances, by that regional level of government to service suppliers of the Party of which it forms a part.

Article 11.3: Most-Favored-Nation Treatment

Each Party shall accord to service suppliers of another Party treatment no less favorable than that it accords, in like circumstances, to service suppliers of any other Party or any non-Party.

Article 11.4: Market Access

No Party may adopt or maintain, either on the basis of a regional subdivision or on the basis of its entire territory, measures that:

- (a) impose limitations on:
 - (i) the number of service suppliers whether in the form of numerical quotas, monopolies, exclusive service suppliers, or the requirement of an economic needs test,
 - (ii) the total value of service transactions or assets in the form of numerical quotas or the requirement of an economic needs test,
 - (iii) the total number of service operations or the total quantity of services output expressed in terms of designated numerical units in the form of quotas or the requirement of an economic needs test,² or
 - (iv) the total number of natural persons that may be employed in a particular service sector or that a service supplier may employ and who are necessary for, and directly related to, the supply of a specific service in the form of numerical quotas or the requirement of an economic needs test; or
- (b) restrict or require specific types of legal entity or joint venture through which a service supplier may supply a service.

Article 11.5: Local Presence

No Party may require a service supplier of another Party to establish or maintain a representative office or any form of enterprise, or to be resident, in its territory as a condition for the cross-border supply of a service.

Article 11.6: Non-Conforming Measures

1. Articles 11.2, 11.3, 11.4, and 11.5 do not apply to:

- (a) any existing non-conforming measure that is maintained by a Party at:

² This clause does not cover measures of a Party that limit inputs for the supply of services.

- (i) the central level of government, as set out by that Party in its Schedule to Annex I,
- (ii) a regional level of government, as set out by that Party in its Schedule to Annex I, or
- (iii) a local level of government;
- (b) the continuation or prompt renewal of any non-conforming measure referred to in subparagraph (a); or
- (c) an amendment to any non-conforming measure referred to in subparagraph (a) to the extent that the amendment does not decrease the conformity of the measure, as it existed immediately before the amendment, with Articles 11.2, 11.3, 11.4, or 11.5.

2. Articles 11.2, 11.3, 11.4, and 11.5 do not apply to any measure that a Party adopts or maintains with respect to sectors, subsectors, or activities as set out in its Schedule to Annex II.

Article 11.7: Domestic Regulation

1. Where a Party requires authorization for the supply of a service, the Party's competent authorities shall, within a reasonable time after the submission of an application considered complete under its laws and regulations, inform the applicant of the decision concerning the application. At the request of the applicant, the Party's competent authorities shall provide, without undue delay, information concerning the status of the application. This obligation shall not apply to authorization requirements that are within the scope of Article 11.6.2.

2. With a view to ensuring that measures relating to qualification requirements and procedures, technical standards, and licensing requirements do not constitute unnecessary barriers to trade in services, each Party shall endeavor to ensure, as appropriate for individual sectors, that such measures are:

- (a) based on objective and transparent criteria, such as competence and the ability to supply the service;
- (b) not more burdensome than necessary to ensure the quality of the service; and
- (c) in the case of licensing procedures, not in themselves a restriction on the supply of the service.

3. If the results of the negotiations related to Article VI:4 of the GATS (or the results of any similar negotiations undertaken in other multilateral fora in which each of the Parties participate) enter into effect, this Article shall be amended, as appropriate, after consultations between the

Parties, to bring those results into effect under this Agreement. The Parties shall coordinate on such negotiations, as appropriate.

Article 11.8: Transparency in Developing and Applying Regulations³

Further to Chapter Nineteen (Transparency):

- (a) each Party shall maintain or establish appropriate mechanisms for responding to inquiries from interested persons regarding its regulations relating to the subject matter of this Chapter;⁴
- (b) if a Party does not provide advance notice and opportunity for comment pursuant to Article 19.2 (Publication), it shall, to the extent possible, address in writing the reasons therefor;
- (c) at the time it adopts final regulations relating to the subject matter of this Chapter, each Party shall, to the extent possible, including upon request, address in writing substantive comments received from interested persons with respect to the proposed regulations; and
- (d) to the extent possible, each Party shall allow reasonable time between publication of final regulations and their effective date.

Article 11.9: Recognition

1. For the purposes of fulfilment, in whole or in part, of its standards or criteria for the authorization, licensing, or certification of services suppliers, and subject to the requirements of paragraph 4, a Party may recognize the education or experience obtained, requirements met, or licenses or certifications granted in a particular country. Such recognition, which may be achieved through harmonization or otherwise, may be based upon an agreement or arrangement with the country concerned or may be accorded autonomously.

2. Where a Party recognizes, autonomously or by agreement or arrangement, the education or experience obtained, requirements met, or licenses or certifications granted in the territory of a non-Party, nothing in Article 11.3 shall be construed to require the Party to accord such recognition to the education or experience obtained, requirements met, or licenses or certifications granted in the territory of another Party.

³ For greater certainty, “regulations” includes regulations establishing or applying to licensing authorization or criteria.

⁴ Peru’s implementation of its obligations to establish appropriate mechanisms for small administrative agencies may need to take into account resource and budget constraints.

3. A Party that is a party to an agreement or arrangement of the type referred to in paragraph 1, whether existing or future, shall afford adequate opportunity for another Party, if that other Party is interested, to negotiate accession to such an agreement or arrangement or to negotiate one comparable with it. Where a Party accords recognition autonomously, it shall afford adequate opportunity for another Party to demonstrate that education, experience, licenses, or certifications obtained or requirements met in that other Party's territory should be recognized.

4. No Party may accord recognition in a manner that would constitute a means of discrimination between countries in the application of its standards or criteria for the authorization, licensing, or certification of services suppliers, or a disguised restriction on trade in services.

5. Annex 11-B (Professional Services) applies to measures adopted or maintained by a Party relating to the licensing or certification of professional service suppliers as set out in that Annex.

Article 11.10: Transfers and Payments

1. Each Party shall permit all transfers and payments relating to the cross-border supply of services to be made freely and without delay into and out of its territory.

2. Each Party shall permit such transfers and payments relating to the cross-border supply of services to be made in a freely usable currency at the market rate of exchange prevailing on the date of transfer.

3. Notwithstanding paragraphs 1 and 2, a Party may prevent or delay a transfer or payment through the equitable, non-discriminatory, and good faith application of its laws relating to:

- (a) bankruptcy, insolvency, or the protection of the rights of creditors;
- (b) issuing, trading, or dealing in securities, futures, options, or derivatives;
- (c) financial reporting or record keeping of transfers when necessary to assist law enforcement or financial regulatory authorities;
- (d) criminal or penal offences; or
- (e) ensuring compliance with orders or judgments in judicial or administrative proceedings.

Article 11.11: Denial of Benefits

1. A Party may deny the benefits of this Chapter to a service supplier of another Party if the service supplier is an enterprise owned or controlled by persons of a non-Party, and the denying Party:

- (a) does not maintain diplomatic relations with the non-Party; or
- (b) adopts or maintains measures with respect to the non-Party or a person of the non-Party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Chapter were accorded to the enterprise.

2. Subject to Article 21.4 (Consultations), a Party may deny the benefits of this Chapter to a service supplier of another Party if the service supplier is an enterprise owned or controlled by persons of a non-Party or of the denying Party that has no substantial business activities in the territory of that other Party.

Article 11.12: Specific Commitments

- 1. Annex 11-C sets out certain obligations with regard to certain limitations on the employment of specialty personnel and professionals.
- 2. Annex 11-D sets out obligations with regard to the supply of express delivery services.
- 3. Annex 11-E will set out other specific commitments that the Parties may agree.

Annex 11-A

The Parties understand that if a Party establishes or maintains a fund to promote development of a particular service within its territory, disbursements from such fund would be subject to the same treatment as a measure covered by Article 11.1.4(d), even when a privately owned entity is wholly or partially responsible for the administration of the fund.⁷

⁷ For greater certainty, this annex does not prejudice the position of the Parties in subsidies negotiations in any other forum.

Annex 11-B

10. The Working Group shall be established no later than one year after the entry into force of the Agreement.

Review

11. The Commission shall review the implementation of this Annex at least once every three years.

Temporary Licensing of Engineers

12. At its first meeting, the Working Group shall consider establishing a work program in conjunction with the relevant professional bodies in the territories of the Parties to develop procedures for the temporary licensing by the competent authorities in one Party of engineers of other Parties.

13. To this end, each Party shall consult with relevant professional bodies in its territory to obtain their recommendations on:

- (a) the development of procedures for the temporary licensing of engineers of the other Parties to practice their engineering specialties in the territory of the consulting Party;
- (b) the development of model procedures for adoption by the competent authorities throughout its territory to facilitate the temporary licensing of engineers of the other Parties;
- (c) the engineering specialties and, as applicable, the regional jurisdictions with respect to which priority should be given in developing temporary licensing procedures; and

Annex 11-C

1. Notwithstanding Article 11.1.1 and 11.1.5, this Annex applies to the limitations set forth in paragraphs 2 and 3.

2. The following limitations may be maintained or promptly renewed, except to the extent they restrict the ability of an enterprise to hire, as a dependent employee or as an independent contractor, professionals and specialty personnel of another Party on a temporary basis:

For Peru:

Decreto Legislativo N° 689 de 1991, *Ley para la Contratación de Trabajadores Extranjeros*, Articles 1, 2, 4, and 5⁸.

3. The following limitations may be maintained or promptly renewed:

For Peru:

Annex 11-D

Express Delivery Services

1. For the purposes of this Agreement, **express delivery services** means the collection, transport, and delivery, of documents, printed matter, parcels, goods, or other items on an expedited basis while tracking and maintaining control of these items throughout the supply of the service. Express delivery services do not include (i) air transport services, (ii) services supplied in the exercise of governmental authority, or (iii) maritime transport services.⁹
2. The Parties confirm their desire to maintain at least the level of market openness for express delivery services they provide on the date this Agreement is signed. If a Party considers that another Party is not maintaining such level of access, it may request consultations. The other Party shall afford adequate opportunity for consultations and, to the extent possible, shall provide information in response to inquiries regarding the level of access and any related matter.
3. Each Party shall ensure that, where its monopoly supplier of postal services competes, either directly or through an affiliated company, in the supply of express delivery services outside the scope of its monopoly rights, such a supplier does not abuse its monopoly position to act in the Party's territory in a manner inconsistent with the Party's obligations under Articles 10.3 (National Treatment), 10.4 (Most-Favored-Nation Treatment), 11.2, 11.3, or 11.4. Further to Article 1.2 (Relation to Other Agreements), the Parties also reaffirm their rights and obligations under Article VIII of the GATS.¹⁰
4. Each Party confirms its intention to prevent the direction of revenues derived from monopoly postal services to confer an advantage to its own or any other competitive supplier's express delivery services.

⁹ For greater certainty, for the United States, express delivery services do not include delivery of letters subject to the Private Express Statutes (18 U.S.C. 1693 et seq., 39 U.S.C. 601 et seq.), but do include delivery of letters subject to the exceptions to, or suspensions promulgated under, those statutes, which permit private delivery of extremely urgent letters.
